IMPORTANT!

Officer information for the Key Club executive boards of your school need to be submitted to me by June 14th at the latest! This information will help communication between your school and the Carolinas District Board.

I look forward to meeting all of you soon. I would like to have a Presidents meeting before school starts up in the fall. Please feel free to contact me anytime.

Summer Project Ideas

Schools almost out, but Key Club can still be going on!

Car Washes are easy and money can go to a charity of your choice!

Clothes Drives for boys and girls home.

A Bake Sell, everyone loves cookies!!

- Car wash fundraisers: these fundraisers are a lot of fun! You can go to a local CTR or a garage and they will allow you to use their parking lot space for free. The money earned can either go towards charities such as the Ronald McDonald Foundation or the Boys and Girls home.
- Clothing drives for the Boys and Girls home: everyone has old clothes they don't wear, unite your Key Club by starting a clothing drive in your local area!
- A bake sale: this is a unique way to get not only your key club but also your community together and support a good cause! Remember anyone can start one of these and any donation is a success!

Please remember to stay active.

I have a challenge for you.

Each member of your Key Club write down your plans for the summer, and Seniors write your plans after Graduation. Tell me something about all of you and mail them to me or email them to me.

This summer, I am going to Ohio, International Convention in DC, and Florida. I will be transforming into a Senior and getting ready to go to Gardner– Webb University to study Forensic Psychology. I play tennis, help the football team, track and soccer. I participated in the schools yearbook this year also. Please stay active with me and help me help you.

A little about me!

Favorite Food: Instant Mashed Potatoes!!

Favorite TV Series: Bates Motel or Nashville

Favorite Actor/Actress: James Franco and Hayden Panettiere

Future Occupation: I would love to be a Forensic Psychologist

Favorite Movie: Pretty in Pink (older than me and you, but it's a classic)
